

# Handwriting Analysis: An Adventure in Self-Discovery, Third Edition

This book explains all you need to know about handwriting analysis in order to produce a comprehensive profile of anyone's personality. It is clear, straightforward and easy to follow. It has been used in classrooms with beginners and it serves as a handy reference for the experienced analyst. This third edition delves into the darker side of human personality and shows you how you can identify 65 different signs in handwriting that signal potential danger and dishonesty. These signs are found in the writings of convicted criminals, serial killers, con artists and others who are not to be trusted. As well, illustrations and worksheets have been developed to show you how to measure your Emotional Intelligence, how to determine compatibility in relationships and how parents and teachers can assist in the learning and development of children.
