

## Sirah &amp; Hadith - Grade 2 - Textbook

Life and Teachings of Our Prophet S.A.W takes children through the early life of Rasulullah s.a.w and familiarizes them with his caretakers. As he grows and is given the responsibility of prophethood, major characters and events in his life leading up to the Hijrah unfold in a clear and story-like format. Children are then introduced to defining qualities of the Prophet s.a.w that they would be able to emulate in their lives.
