

## Smile Youre Travelling

Using his trademark wit, insight and verve, icon Henry Rollins shares journals from his gruelling world tours of 1997 and 1998, as well as a record of the fulfilment of his longstanding dream to journey through Africa. He takes us on a rollercoaster of highs and lows, frustrations and exhilaration - from roving gangs of baboons in Kenya to haggling with immigration officials in Madagascar and his thoughts on meeting his childhood heroes, Black Sabbath - and finds a way to make his unique experiences accessible and meaningful to us all.
