Blazing Hearts Series Books 1-3 Bundle

**THE BET** Tyson is a man with a dark past and he isn't much on wagers. But when his best friend bets him that he can't romance the pants off their boss's daughter, he can't resist. See, he's had the hots for Ms. Lexie Garnes for years, but she was too young to act on it. Now that she's a college graduate, and more than legal, he's all in. Tyson can't hide his feelings for Lexie any longer. With a bet on the table, he has no choice but to man up and find a way for her to accept him and his kinky bedroom tastes. Lexie is glad to be back down south. Her time away did her good but made her miss home. Middlefield may lack excitement, but it has something Boston never did—Tyson Morrrows. Her father's ranch foreman is sexier than ever and suddenly seems to have eyes for her. Is this too good to be true? Will his commanding hands in the bedroom prove to be too much for her and what will happen when she learns he only made his move because of a bet?

**THE COWBOY** Jake spends his days training horses and his nights training women in the bedroom. The women are simply a means to an end—a way to find release. The woman he wants took off like a thief in the night years ago, leaving him wondering each and every day where she is and if she's all right. It's her he wants in his bed. It's her he wants to do kinky things with. When Teresa arrives back in town without warning everything changes. She wants a relationship

with him. He wants far more than that. He wants total surrender, but is she really willing to give it? THE LOVER Kaleb is a notorious lady's man. He's walking sin and not afraid to brag about the fact. Hell, he'd put it on a t-shirt if he bothered keeping one on long enough for anyone to read it. He's used to getting who and what he wants. When he finds himself face-to-face with a spitfire of a challenge his first love who is back in town, waiting tables at his favorite watering hole everything changes. Hotter than a platter full of sin at a church picnic, Erica has him tied in knots, and if he plays his cards right, he'll have her tied to his bed soon enough.
