

## Five Novellas: Collection 1

This is a collection of five original Novellas written by I. M. Probulos over a 30-year period.

1. The Balance of Nature, a Novella (Written as a screenplay, 1986; converted to a Novella in 2013) 2. When All is Lost (Written as an original screenplay in 1996; converted to a Novella in 2013) 3. A Hole in the Sand, a Novella (Written as a two-act play, 2006) 4. Adam and Eve Revisited: A Free Will Story (written in 2012 as part of a Free Will Series) 5. The Other Gods Earth: No Sin, No Death, No Evil: Part One: Introduction (written as the first installment of a multi-part book 2013) Adam and Eve Revisited, The Other Gods Earth (TOGE), and A Hole in the Sand have clear theological implications. They challenge the reader and ask fundamental questions concerning free will, the nature of evil, and the nature of God. The Balance of Nature, my first effort, is a supernatural fantasy adventure story; When All is Lost is a fast-paced adventure story that is full of action. Please give my Novellas a try. Read the first 5-10 pages and let me know if they keep your attention. Each one took about a year to research and complete and represents over a 100 hours of effort. My favorite is my first, The Balance of Nature. You can reach me at my website: <http://www.improbulos.com>, my email, [improbulos@gmail.com](mailto:improbulos@gmail.com), or Twitter @improbulos. I. M. Probulos.
