Learn how to become a person that everyone LOVES to talk to! Imagine trying to live your life without ever speaking to anyone. Crazy, right? How many people do you talk to in a single day? Have you ever left a conversation, only to later realize what you wish you had said? Have you ever talked with someone for hours, only to forget their name later? Have you ever felt like you just aren't cut out to communicate well? The problem with traditional teaching on communication is that it's loaded with long lists of body language meanings, how-to tricks for getting your way or making friends, and seems to only cater to talkative personalities. The solution is much simpler. Start with a genuine desire to build lasting relationships, and learn some basic concepts that you can practice and develop over time. In this book, you'll learn:

- * The different personality types, and how to recognize your own
- * 3 ways that you communicate without even talking
- * 3 habits that might be limiting your ability to communicate
- * 4 things to watch out for in any conversation
- * 7 How-to sections to have better conversations TODAY
