The Clover Park STUDES Boxed Set includes three full-length novels: *Almost in Love*, *Almost Married*, and *Almost Over It*. Each is a stand-alone story with some Clover Park Series favorites popping up too! Book 1: *Almost in Love* Successful entrepreneur Barry Furnukle is ready to take things to the next level with the pink-haired neighbor her adores. But when his attempt to woo her with the world's most awesome date (birding and fro-yo) lands him in the friend zone, it's time to unleash his inner stud. Book 2: *Almost Married* Stephanie Moore's boyfriend, the adorably geeky math teacher, Dave Olsen, has husband material written all over him. One teensy problem—she's still technically married. When she demands a divorce from the rock star husband she hasn't seen in five years, he shows up on her doorstep wanting a second chance. Mathlete vs rock star? Game on! Book 3: *Almost Over It* Ex-bad boy Will has been living a life of penance ever since he crashed his car, nearly killing his brother. Jasmine is just one more reminder of the life he doesn't deserve, but when one perfect kiss sets them on the slippery slope toward love, they both fear it will end with a crash. What do you do when the one person you can't live with is the one person you can't live without? The Clover Park STUDES series continues with *Almost Romance* (out now!) and *Almost Hitched* (releasing August 2016). CLOVER PARK STUDES SERIES BOOK 1: *Almost in Love* BOOK 2: *Almost Married*
