

A Memory Away (Mills & Boon Heartwarming) (A Harmony Valley Novel, Book 6)

For better or worse, she's family now. Duffy Dufraine just found out he's going to be an uncle. Jessica Aguirre came to Harmony Valley in search of the father of her unborn child, which is by no means him. An accident may have damaged the expectant mom's memory, but he knows his twin is the man she's looking for. But Greg's gone, which leaves Duffy the only family Jess has. And he has to make things right. Offering her a temporary place to stay seems an ideal short-term solution. Until she stirs desires that make the embattled vineyard manager rethink his own long-term game plan. Is he ready to offer Jess and her baby a home to call their own with him?
