For courses in International Finance. An Authoritative, Comprehensive Coverage of Contemporary International Finance. Renowned for its authoritative, comprehensive coverage of contemporary international finance, *Multinational Business Finance* trains the leaders of tomorrow's multinational enterprises to recognize and capitalize on the unique characteristics of global markets. The Fourteenth Edition, now with MyFinanceLab, attempts to capture the rapid evolution of our global marketplace, taking a closer look at the types of organizations that permeate the widespread arena, competition and opportunities in emerging markets, and how financial leadership can integrate the strategic and financial challenges that global businesses face today.
