

# The Crisis of Religion: The Feral Excesses of the Gullibility of Man, Revised Edition

The debates to disentangle the mystery of religion will most likely rage until eternity... It's undoubtedly true that the iron grip of organized religion has bred extreme delusion of terrible nature for majority of the human race to be contented with not understanding the world they live in. This 368 page book critically re-examines theology and the disturbing trend to which dogmatic religions have dangerously malformed in the new social order of our modern civilization. The Crisis of Religion is a comprehensive polygraph test – a thorough lie detection analysis of cognitive errors of the fundamental theologies that bind humanity to religious beliefs.
