

Two for Christmas

Two ménage à trois Christmas novellas in one package! A Ménage Christmas Bree Noëll Conner doesn't do relationships well. Like most men she knows, she has a straying eye that often gets her into trouble. She loves pretty men and frequently wants to sample them. That fact has gotten her into more trouble, and out of more relationships, than she'd care to admit. So, when she finds herself standing on an ottoman in an artsy-fartsy holiday party being auctioned off to the highest bidder (for a good cause, of course) and subsequently bound to a king-sized bed built for three, her merry Christmas quickly turns into a potential Ménage Christmas and her wandering eye might be satisfied, once and for all. Nice and Naughty Cassie Franklin has to prove herself. After all, she's the first female head of the English department at the university. But that doesn't mean she has to prove herself sexually to Eric Marsh, a fellow professor in the English department, too. Does it? Then there is Ryan. Strong and sexy, with hands that can ease away the tension of most any job, he almost makes her forget her risky escapades with Eric. And that Eric left her. Cassie discovers that Ryan and Eric have a closer connection than she ever could have imagined, and that they have very specific plans for her. Is she ready for two?
