

## The Walk: A Novel

The first book in the inspiring New York Times bestselling series about an executive who loses everything he holds dear and embarks on a walk across America that changes his life forever. What would you do if you lost everythingâ€”your job, your home, and the love of your lifeâ€”all at the same time? When it happens to Seattle ad executive Alan Christoffersen, heâ€™s tempted by his darkest thoughts. Instead, he decides to take a walk. But not any ordinary walk. Taking with him only the barest of essentials, Alan leaves behind all that heâ€™s known and heads for the farthest point on his map: Key West, Florida. The people he encounters along the way, and the lessons they share with him, will save his lifeâ€”and inspire yours. A life-changing journey, both physical and spiritual, *The Walk* is the first of an unforgettable bestselling series of books about one manâ€™s search for hope.
