

# Haggadah: The slager Edition - Arizal (The Gutnick Library of Jewish Classics) Kol Menachem

The KOL MENACHEM HAGGADAH adds layer upon layer of fresh insight to the age-old celebration of our journey from slavery to freedom. Its richly textured commentary creatively blends traditional, mystical and life-enhancing insights, while each step of the Seder is explained clearly in simple language. This remarkably handsome volume is adorned with ornate Hebrew typography, gold and maroon highlights, and a luxurious, hand-tooled leather-style binding. Substantial sponsorship has enabled this elegant Haggadah to be made available for an extremely reasonable price. The commentaries have been culled from a vast array of sources, spanning from the Twentieth Century back to antiquity. Special emphasis has been give to the teachings of the Lubavitcher Rebbe, Rabbi Menachem Mendel Schneersohn, many of which appear in English here for the first time.
