

Never Too Old to Rock & Roll: Life After 50-The Best Years Yet

Back in the 1960s, a relatively young generation took society by the horns and demanded radical change. Their countercultural revolution impacted everything from voting rights to civil rights, from how people raise their kids to how they relate in the workplace. Now, as 10,000 members of this group turn 50 every day, they're turning their attention to the subject of aging and attacking it like no previous generation ever has before.
