From the back cover of the full book: In his groundbreaking first book, *Your Souls Plan*, Robert Schwartz brought the idea of pre-birth planning into the mainstream. Now, his brilliant sequel *Your Souls Gift: The Healing Power of the Life You Planned Before You Were Born* delves even deeper by exploring the pre-birth planning of spiritual awakening, miscarriage and abortion, caregiving, abusive relationships, sexuality, incest, adoption, poverty, suicide, rape, and mental illness. There's also a chapter about the pre-birth planning we do with our future pets. Working with a team of gifted mediums, Schwartz brings forth great love and wisdom from the other side to explain why such experiences are

planned and the deep, soul-level healing they can create. Through the stories in Your Soul's Gift you can: -Develop greater self-love as you become aware of the tremendous courage it takes for you to plan a life on Earth and to live the life you planned -Emerge from victim consciousness to know yourself as the powerful creator of your life -Forgive those who have hurt you and create a lasting inner peace -See profound purpose in experiences that once appeared to be meaningless suffering -Develop a heartfelt knowing of your infinite worth, beauty, magnificence, and sacredness as an eternal soul.
