

## Havah: A Novel

New York Times bestselling and award-winning author Tosca Lee shares the “passionate and riveting story of the Bible’s first woman and her remarkable journey after being cast from paradise” (Publishers Weekly, starred review). Created, not born. Her name is Eve. Myth and legend shroud her in mystery. Now hear her story. She knew this earth when it was perfect—as she was perfect, a creature without flaw. Created by God in a manner like no other, Eve lived in utter peace as the world’s first woman, until she made a choice, one mistake for which all of humanity would suffer. But what did it feel like to be the first person to sin and experience exile; to see innocence crumble so vividly; and to witness a new strange, darker world emerge in its place? From paradise to exile, from immortality to the death of Adam, experience the epic dawn of mankind through the eyes and heart of Eve—the woman first known as Havah.
