

The Duke of Christmas Past

The only thing Donovan Ellis, Seventh Duke of Gatewood, wants for Christmas is for it to be over. Too much sadness surrounds the holiday. Horrors he'd prefer to forget. Oh, there's one present he yearns for with all his heart, but his foolishness pushed her into the arms of another. So if he can't have the one thing he truly desires, then he just wants to be left alone to drown in his own misery. But when a ghostly apparition visits him, claiming things can be set right, can Donovan believe? Can he trust the Duke of Christmas Past? Or will meddling in the past bring more heartache than he already has to bear?
