So much more than just a one word look up! The Oxford Learners Dictionaries give advice, context, and tips to help students master the written and spoken language. Offering easy navigation with clear translations, language support, and color alphabet tabs on every page, each dictionary is easily accessible for all secondary school students, providing a refreshing and engaging reference tool. The texts are loaded with extra features, including bite-size information boxes providing extra language and cultural information; student level example sentences to illustrate how the language works and to help with sentence building; comprehensive verb tables to help students understand tenses and conjugate verbs; extended entries in tinted panels for important function words, clear explanations of usage and footnotes throughout; and free online resources to use alongside the dictionary. In addition, each book contains a colorful central section split into themes that highlight vocabulary relating to family and friends, jobs and work experience, leisure and holidays, media and communications, and much more!
