In this instant New York Times Bestseller, Geoff Smart and Randy Street provide a simple, practical, and effective solution to what *The Economist* calls “the single biggest problem in business today”: unsuccessful hiring. The average hiring mistake costs a company \$1.5 million or more a year and countless wasted hours. This statistic becomes even more startling when you consider that the typical hiring success rate of managers is only 50 percent. The silver lining is that “who” problems are easily preventable. Based on more than 1,300 hours of interviews with more than 20 billionaires and 300 CEOs, *Who* presents Smart and Street’s A Method for Hiring. Refined through the largest research study of its kind ever undertaken, the A Method stresses fundamental elements that anyone can implement—and it has a 90 percent success rate.
