Roped In: A Blacktop Cowboys® Novella Ambition has always been his biggest downfall...until he meets her. World champion bulldogger Sutton Grant works hard on the road, but his quiet charm has earned the nickname The Saint because hes never been the love em and leave em type with the ladies. When heâ€™s sidelined by an injury, he needs help keeping his horse in competition shape, but he fears trying to sweet-talk premier horse trainer London Gradsky is a losing proposition--because the woman sorta despises him. London is humiliated when her boyfriend dumps her for a rodeo queen. What makes the situation worse? Sheâ€™s forced to see the lovebirds on the rodeo circuit every weekend. In an attempt to save face, London agrees to assist the notoriously mild, but ruggedly handsome Sutton Grant with his horse training problem on one condition: Sutton has to pretend to be her new boyfriend. But make believe doesnt last long between the sassy cowgirl and the laid-back bulldogger. When the attraction between them ignites, London learns that sexy Sutton is no Saint when that bedroom door closes; hes the red-hot lover shes always dreamed of. The more time they spend together, the more Sutton realizes he wouldnâ€™t mind being roped and tied to the rough and tumble cowgirl for real!
