

## Same Dog, Different Shite (A Little Brown Dog Book 2)

Michael Riddell suffered more than a mid-life crisis. Call it a complete life revision! At the age of forty-five, after changing his mind about life, career, and magic crystals, he embarked on a path he never knew was there. It brought him to Melinda, his soulmate and spiritual anchor, and let him gather his life back after almost losing it all. Turns out it was just the beginning. In his follow-up to *Life, A Little Brown Dog*, and *Shite Like That*, Michael learns that sometimes you have to face some tough truths, including those about yourself, and perhaps travel through darkness before reaching the light. That redemption can be fraught with danger, and may come at a hefty price.
