

## Dragonfly in Amber: A Novel (Outlander)

NOW THE STARZ ORIGINAL SERIES OUTLANDER — With her classic novel *Outlander*, Diana Gabaldon introduced two unforgettable characters—Claire Randall and Jamie Fraser—delighting readers with a story of adventure and love that spanned two centuries. Now Gabaldon returns to that extraordinary time and place in this vivid, powerful sequel to *Outlander*. — *DRAGONFLY IN AMBER* — For twenty years, Claire Randall has kept her secrets. But now she is returning with her grown daughter to the mysteries of Scotland’s mist-shrouded Highlands. — Here Claire plans to reveal a truth as shocking as the events that gave it birth: the secret of an ancient circle of standing stones, the secret of a love that transcends centuries, and the truth of a man named Jamie Fraser—a Highland warrior whose gallantry once drew the young Claire from the security of her century to the dangers of his. — Claire’s spellbinding journey continues through the intrigue-ridden French court and the menace of Jacobite plots, to the Highlands of Scotland, through war and death in a desperate fight to save both the child and the man she loves. Praise for *Dragonfly in Amber* — “Diana Gabaldon is a born storyteller... . The pages practically turn themselves.” — *The Arizona Republic* — “A triumph! A powerful tale layered in history and myth. I loved every page.” — Nora Roberts — “Compulsively readable.” — Publishers
