

A Womans Guide to Male Menopause: Real Solutions for Helping Him Maintain Vitality and Virility

Science has acknowledged that middle-aged men as well as women are subject to a change of life. For men, this change -- called male menopause or andropause -- often manifests in weight gain, loss of sex drive, depression, and irritability. Still, many men refuse to admit, even to themselves, the reason behind these events. With this book, Dr. Marc R. Rose shows women how they can help men through this transition. Included is information on: -- Natural hormone replacement for men-- Vitamins that restore energy and sex drive-- Herbs for a healthy prostate-- Natural alternatives to Viagra
