Abandoned by those who were supposed to love them, sometimes, all that's left in life is to Fight, Survive, Repeat. Get both sides of the story in this bundle containing two full length novels - Zac & Evie and Hugo & Meg by bestselling author Lilliana Anderson. Become absorbed as a family fights for survival and risks everything to save those they love - even if it means losing them... ZAC & EVIE Zac Rivers. A boy no one wanted to know. Always angry. Always fighting his way in and out of trouble. It was no surprise when he was expelled from school and never heard from again. Until now. I found him at the Londonderry Brawl, and I watched him fight like an animal. Strong. Controlled. But desperate. I sensed in him a purpose "a need to win" and I wanted to know what was so important to him. The way he fought was mesmerising, and I couldn't take my eyes off him. Then, it was over, he'd won and I needed to leave. He didn't want me to. When his lips met mine, somehow, he stole my heart, and in that moment, I knew my world was forever changed. I needed to know this boy. I needed to discover all there was to know about him or I'd never be able to breathe again. No one thinks we should be together. They say his bad news. Well, people say I'm bad news too. Then, as fate would have it, I was forced to introduce him to my most fierce protector. A man whose past is riddled with secrets and mistakes; a man who fought his way from the darkness and into the light; a

man called Damien “ my father. My name is Yvonne Rhodes, although, you may prefer to call me Evie. Im the eldest daughter of Damien and Henrietta Rhodes. Inside me, I have my mother’s sense, and my father’s passion. This is Zacs and my story. Its about needing someone to the point of obsession. Its about losing control, and finding a way to pick up the pieces when everything seems broken. And its about love. One thats so strong, nothing can stop it. HUGO & MEG

There are two sides to every story. Youve read Zacs, now its time to read Megs...

“Don’t promise, Hugo. Just take what’s yours and hold on as tight as you can.”

Sometimes, its inappropriate to fall in love with a certain someone. I should know. When I met Hugo Sparks, I didnt know he was my art teacher. But, by the time we found out, it was too late - wed already fallen. But, we did the right thing, we tried to fight it. Eventually though, we gave in. That was when my brother Zac caught us. He said it would tear our family apart - we were already hanging on by a thread. I said I was in love. He didnt believe me and did everything he could to keep us apart. Including breaking my heart. In return, I broke his. My name is Meg Reid - Zac Rivers half sister. This is a tale of hurting the ones you love, and thinking its for the best.
