

Siddur Torah or - Padded Cover 6 X 9 (English and Hebrew Edition)

The Alter Rebbe arranged this siddurs text after careful study and comparison of 60 different prayer-book texts. Scholars highly regard siddur Torah Or because of the texts precise grammar and vowelization, a reflection of the Alter Rebbes proficiency in the estoric and exoteric meanings of prayer. In some instances the halachic instructions, included by the Alter Rebbe, vary significantly from his positions in his Code of Jewish Law, the Shluchan Aruch HaRav. This Siddur, edited by Rabbi Avraham Dovid Lavut, the Rabbi of Nikolayev and our Rebbes great-great-grandfather, is based on the Alter Rebbes original Siddur, which was composed after comparing sixty different versions of the Siddur.
