

Stroke of Midnight: A Midnight Breed Novella (The Midnight Breed Series)

Born to a noble Breed lineage steeped in exotic ritual and familial duty, vampire warrior Jehan walked away from the luxurious trappings of his upbringing in Morocco to join the Order's command center in Rome. But when a generations-old obligation calls Jehan home, the reluctant desert prince finds himself thrust into an unwanted handfasting with Seraphina, an unwilling beauty who's as determined as he is to resist the antiquated pact between their families. Yet as intent as they are to prove their incompatibility, neither can deny the attraction that ignites between them. And as Jehan and Seraphina fight to resist the calling of their blood, a deadly enemy seeks to end their uneasy truce before it even begins.
