

Dancing on Broken Glass

NightWing Publications Presents
 A powerful & touching collection of poetry chronicling the life stages of NY based writer Barbara H. Moore. Barbara Moore writes as a witness describing her own creation, her own process through it, by naming the details in poetic terms that sink into the heart. She walks fearlessly through memory and dream as she welds with words to make a sculpted thing of beauty. Her passion for it is there, in the most delicate flourish to the simplest phrase, all of it turning on the wheel of experience that she has thrown into the mix as a sometimes canvas, sometimes mirror, to display the imagery that she commends so deftly. Read this work for the sake of opening what needs to be more open, for filling what needs to be filled. - A. Razor, Editor of Punk Hostage Press & Author of Half-Century Status
