

Your Personality in Handwriting (Handwriting Analysis Guide)

The Real Window to the Soul... They say that eyes are the windows to persons soul, but eyes could never reveal as much about somebodys personality as handwriting does. There are a lot of things about our life and personality that we keep hidden from others...and even ourselves. But there is one way to discover your true personality (and the true personalities of the people around you)... The Secret of Reading Between the Lines to Discover the Truth... Handwriting Analysis Everyones handwriting is different - just like our fingerprints. But unlike fingerprints, our handwriting can reveal everything about us, from our level of generosity, to our true sense of adventure. With this book, youll uncover the simple, step-by-step formula that will allow you to know the truth about people, including yourself, by looking at anything in writing, whether it be a signature, a grocery list, or the address written on an envelope. Youll discover more about yourself (or what other people are feeling)! Youll be able to uncover the true potential of your children! Youll learn more about your friends and your family! Youll find out more about the new people in your life...without asking any questions! Want More? Its in Here... You can discover someones suppressed desires through the doodles and the scribbles that they draw! You can uncover someones outer personality and find out how they want to be perceived by the public through their signatures! This book will teach you,

step-by-step, how to read through the lines and truly know people like you have never known them before. If you are ready to learn about yourself (and the people in your life), get this book!
