

Six Months to Get a Life

Touching, funny and insightful. This book was a film; at least it felt like one. Have you ever experienced a break-up before? Yes? Then Ben Adams debut romcom, *Six Months to Get a Life*, is the book for you. According to his ex, *Graham Hope* has got a big ego and a small penis. We aren't sure that's why they got a divorce, but they did. *Six Months to Get a Life* follows Graham's quest to sort his life out following his divorce. Will he get over his ex and her taunts? Will he adapt to his new distant dad role? Will his friends stand by him? More importantly, will Graham ever have sex again? **WARNING:** if you're looking for a sanctimonious self-help book, then *Six Months to Get a Life* is NOT for you.
