Are you frustrated by stymied relationships, missed connections, and the loneliness of the search for someone to spend the rest of your life with? Are you ready, instead, to find “The One”? In *Calling in “The One”*, Katherine Woodward Thomas shares her own personal experience to show women that in order to find the relationship that will last a lifetime, you have to be truly open and ready to create a loving, committed, romantic union. *Calling in “The One”* shows you how. Based on the Law of Attraction, which is the concept that we can only attract what we’re ready to receive, the provocative yet simple seven-week program in *Calling in “The One”* prepares you to bring forth the love you seek. For each of the 49 days of Thomas’s thoughtful and life-affirming plan, there is a daily lesson, a corresponding practice, and instruction for putting that lesson into action in your life. Meditation, visualization, and journaling exercises will gently lead you to recognize the obstacles on your path to love and provide ways to steer around them. At the end of those 49 days, you will be in the ideal emotional state to go out into the world and find “The One.” An inspirational approach that offers a radical new philosophy on relationships, *Calling in “The One”* is your guide to finding the love you seek.
