REVISED AND EXPANDED 9/12/2015: Hate taking notes? Feel like youre fighting a losing battle? Does reviewing notes cause more stress than actually taking them? Youre not alone. I used to be the guy trying so hard to write down every single little thing the boss or teacher said. I was absolutely petrified of missing something. I dreaded every presentation or lecture. It was as if I was only writing and not ever truly learning. Cram for this, cram for that. Spend hours taking notes just to spend more time reviewing them and re-teaching myself. Then it hit me. I should be a court reporter!! Thats all I was doing, just writing words that meant nothing to me. It had to stop! So, I set out to discover my own note taking system! I was ready cease the opportunity. Only to find out it wasnt as easy as I thought. Sure, it took some time, but in the end I won. I discovered techniques that I have never heard of before. They allowed me to become the worlds best note taker! Okay, maybe not, but it sure felt good! Heres what youll learn: * How to properly prepare for notes * How to find your own note-taking swagger * How to take killer notes * How to review your notes * How to officially hack notes * And more! Ready to win the battle against note-taking? Scroll back up and press that BUY button. Youll only wish you would have sooner!
