Prose as inviting and uplifting as a walk in the woods. ^â ^â”PUBLISHERS WEEKLY

These woodland interludes are quick and bright, dazzling amid the bosky gloom. Writing so powerful that it^â™s hard not to share the authors delight to be back in the woods. ^â”KIRKUS (starred review)

Ferguson writes of woods and forest with fervor and reverence. This fierce devotion first learned in childhood colors the books beautifully written prose, resulting in a lyrical ode to the individuals Ferguson encounters as he travels along the back roads of New England and the Midwest. ^â”BOOKLIST
