

Deadly Christmas Secrets (Mills & Boon Love Inspired Suspense) (Mission: Rescue, Book 4)

THE CHRISTMAS TARGET When new evidence surfaces that Harper Shelby's niece is possibly alive, Harper doesn't expect it to endanger her life. For her protection, she has to put her much-guarded trust in Logan Fitzgerald, the man who unknowingly led a killer to her doorstep. Hired to track Harper down, security and rescue expert Logan doesn't like that he's been used to find a woman who someone apparently wants dead. Now he won't leave Harper's side until he can guarantee her safety and untangle the truth from the lies regarding her sisters and nieces' murders. The closer they get to finding answers, the more intent the killer becomes on making sure that there won't be a family reunion or happily-ever-after for Harper this Christmas. Mission: Rescue No job is too dangerous for these fearless heroes
