surefire way to boost employee enthusiasm, productivity, and performance and usher in astonishing results for any organization. Raving Fans brilliantly schooled managers on how to turn customers into raving fans. Gung Ho! now brings the same magic to employees. Here is the story of how two managers saved a failing company and turned in record profits with record productivity. The three core ideas of Gung Ho! are surprisingly simple: worthwhile work guided by goals and values; putting workers in control of their production; and cheering one another on. Their principles are so powerful that business leaders, reviewing the manuscript for Ken and Sheldon, have written to say, Sorry. Ignored instructions. Have photocopied for everyone. I promise to buy books, but cant wait. We need now! Like Raving Fans, Gung Ho! delivers.
