

There Aint No Such Thing as Hell: Or the Devil, Demons, Sin, Armageddon, the Antichrist, and Other Such Nonsense

The author sets forth, in very readable style, why age-old views about the existence of Hell and other related concepts should be retired to the dustbin of outmoded ideas. He does so without being preachy or polemical, and uses logic, reason, and science as his tools. If you have ever been troubled by any of the concepts discussed in these pages, you owe it to yourself to peruse this very readable volume.
