

Unleashing Your Creativity After 50! (The Best Half of Life)

John Lennon once said, Life is what happens to you while you're busy making other plans. We all had dreams of being creative when we were young. Many of us wanted to be great artists or actors. Some of us loved wood shop in high school and hoped someday to make all our own furniture. Still others planned to write and publish poems. Then life happened. Now, with families raised, roots set, and careers under control, it's time. Carpe Diem. Become the actor, writer, craftsman you've always wanted to be. Unleash your creativity!
