

The Hadith Volume 3

Narrated Umar bin Al-Khattab: This is volume 3 of 5. Each volume is roughly 500 pages long and spans 9 actual volumes. This volume starts on page 1500 with volume 5 book 9 number 706. The entire collection of the Hadith by Sahih Al-Bukhari. The Hadith are sayings of the Prophet Muhammad; this is one of the six major collections. Sunni Muslims view this as one of the three most trusted collections of hadith along with Sahih Muslim and Muwatta Imam Malik. In some circles, it is considered the most authentic book after the Quran. The book was compiled around 200 years after the death of Muhammad. I heard Allahs Apostle saying, The reward of deeds depends upon the intentions and every person will get the reward according to what he has intended. So whoever emigrated for worldly benefits or for a woman to marry, his emigration was for what he emigrated for.
