Elisabeth Nash has spent years dreaming of returning to the small town of Trusty, Colorado, where she spent summers with her favorite aunt. When she inherits her aunt's farmette, she closes her Los Angeles pet bakery and pampering business, sure that life in Trusty will be as peaceful and as welcoming as she remembers. But being an outsider in the close-knit town proves to be very different from the happy summers she remembers from her childhood--and falling for Trusty's hot, wealthy, and sinfully irresistible veterinarian, Ross Braden, sends the rumor mill into a frenzy. Ross Braden learned long ago that gossip spreads faster than weeds in his small hometown, and Ross loves nothing more than his privacy. For that reason, he doesn't date women who live in Trusty. But that was before blond, beautiful, and refreshingly honest Elisabeth

Nash flew into his vet clinic seeking help for her panicked piglet and turned his comfortable life--and his heart--inside out. Despite rumors about Elisabeths motives toward her aunts property, passion brews between Elisabeth and Ross. Every steamy kiss and every sensual touch brings the pair closer together, and when Ross helps Elisabeth try to fit into the town he adores, it makes their bond even stronger. But even Elisabeths efforts toward reaching the community, and the love she and Ross so desperately believe in, might not be enough for the protective small town to offer them a future. \*All BRADEN books can be enjoyed as stand-alone novels or as part of the series\* Want More Bradens?
