Contains the following two novellas— Juliâ€™s Choice by Mary Winter Veterinarian Juli Gregenmyerâ€™s long-awaited engagement is turning into a nightmare. With each passing day itâ€™s becoming evident that her dream of opening a horse rescue is suddenly in jeopardy due to her controlling fiancÃ©e. Riley Hampton, a former Olympic equestrian, isnâ€™t expecting the sexy doctor who responds to his emergency call when his prize mare is in labor. His chosen sport favors the bold. He knows convincing Juli that theyâ€™re good together will take the same skills he uses to navigate a water hazard—soft hands and gentle persuasion. Juli isnâ€™t accustomed to men who comprehend her desires—both the professional and the carnal. But now itâ€™s time for her to choose. She can either follow her head, or her heart. This is a revised and updated edition of a book previously published by the same title. Good Medicine by Mary Winter Sadie Grissom is still reeling from Devon Markier III purchasing the vet clinic where she works. The practice could have been hers if Sadie had been able to secure funding. Sheâ€™s torn between thankfulness at still having a job and trying to cope with the Devonâ€™s privileged upbringing and playboy lifestyle. Devon bought the clinic to have a place away from his family to practice his veterinary work. The fact that the sexy Sadie came with the facility is a major bonus. He knows she sees him as her boss but he wants much more than a simple business relationship.

This hot doctor is going to prove to Sadie that love is the best medicine of all. This title is a revised and updated version of a book previously published as "Money Man."
