

## Bittersweet (True North) (Volume 1)

Farmers make the earth move. The last person Griffin Shipley expects to find stuck in a ditch on his Vermont country road is his ex-hookup. Five years ago theyd shared a couple of steamy nights together. But that was a lifetime ago. At twenty-seven, Griff is now the accidental patriarch of his family farm. Even his enormous shoulders feel the strain of supporting his mother, three siblings and a dotty grandfather. He doesnt have time for the sorority girl whos shown up expecting to buy his harvest at half price. Vermont was never in Audrey Kidders travel plans. Neither was Griff Shipley. But she needs a second chance with the restaurant conglomerate employing her. Okay--a fifth chance. And no self-righteous lumbersexual farmer will stand in her way. Theyre adversaries. They want entirely different things from life. Too bad their sexual chemistry is as hot as Audreys top secret enchilada sauce, and then some. Warning: Contains sexual situations, gourmet yumminess, a steamy outdoor shower and proof that farmers dont mind getting dirty.
