

## The Proposal Book 3 (Submissive Romance)

Book 3 of The Proposal series, a seriously hot and provocative romance by Lucia Jordan, written in her signature style of high passion, searing depictions and emotion. Brooke explores her carnal urges and is a willing student to her master. She is completely satisfied until the romance and affection in her sister's marriage affects how she views her own relationship. She is obsessed by the need to have a more fulfilling liaison with the one man who attracts her like no one else. But a heart-to-heart with Chris leaves her abandoned, because Chris is by nature a Dom who avoids romance like the plague. He attempts to dislodge himself from Brooke, only to be left the one wanting. This ebook contains very hot and explicit descriptions of romantic activity and submissive training. Only mature readers should download this book.
