

The Judas Postcard

“Judas, I did not die.” When Sarah Kendrick reads those words on the back of a postcard she chances upon, she’s immediately intrigued. What begins as idle curiosity spirals out of control when Sarah uncovers a twenty-five year old crime of corruption and betrayal. Her efforts to untangle the mystery make her the target of a powerful enemy who will do anything to keep the past from being revealed. Sarah’s initial quest for independence quickly becomes a fight for her life, and she’s forced to accept help from her own particular Judas: the ex-husband who betrayed her.
