

For Every Cat an Angel

For Every Cat An Angel celebrates the timeless connection between people and their forever cats. From the moment a kitten is born, the book tells us, a guardian angel watches over it, loving the kitten no matter which path it chooses in life. Some cats are adopted into loving families and the angel is happy knowing her cat will always be loved and cared for. But sometimes the angel knows someone very special is waiting for her cat, so she sends the cat through the stars until it arrives at the place it is meant to be - at the home of its forever person, where it will become a forever cat. Once a forever person and a forever cat find each other, nothing can ever separate them. Filled with colorful illustrations, For Every Cat An Angel will delight cat lovers young and old and bring comfort to anyone who has had to say goodbye to their beloved cat companion.
