

A to Z: 26 Keys to Unlock Career Change Success: for Midlife Women (Career Clarity Book 1)

Midlife women (and enlightened men), this book is for you! Are you at a career crossroads, not sure which direction to go? Are you unfulfilled, fed up, or out of workâ€™ready to make a significant career change but not sure how to or even what to do? Start with this book. There are hundreds of helpful career books but not all are pertinent to midlife and beyond. In the first book of her Career Clarity series, Diane Howell Topkis shares 26 key elements that lay the groundwork for your personal platform for success. Itâ€™s meant to motivate and inspire you to reach higher levels of career success. Midlife career change is more than just finding a new job. Itâ€™s about becoming who you were meant to be and expressing that in your career. Only then can reinventing or reenergizing your career be successful. Working through each key, answering the targeted questions will provide the clarity and confidence to get unstuck, make more conscious decisions and move forward. They worked for her career coaching clients. They can work for you. If youâ€™re feeling that you want something more from your work, scroll to the top and Click to Buy! P.S. The free download in my book has been changed to Find Your Career Passion. Understanding what sets your heart on fire will help you align your work to it.
