

Just Right (1Night Stand Series)

Marci Garrett works tirelessly in her career as a graphic artist—she’s the last of her friends still single. Life and love are passing her by, so after a few glasses of wine, she agrees to let her girlfriends sign her up for a 1Night Stand date. It can’t hurt, right? Building his architecture firm from the ground up, Dillon Hayes has almost zero personal life. Family is important to him, but with his impatient mother threatening to pick out his future wife, it’s time to take action. Maybe 1Night Stand is the best place to start. Can Madame Eve help them find a match that’s just right?
