

The Faithful Walk- On

My book is an inspirational and challenge to others to want to know God on a personal basis. This is my testimony of how God is working miracles in my life. All my life I have been trying to do things on my own. But when I realized that I could not make, i had to find another source. When i accepted Jesus as my Lord and Savior my life change. I begin to focus on the positives of life. Trusting in God is what makes our lives complete
