

The Pesach Haggadah: Through the Prism of Experience and History: The Orlofsky Edition (Multilingual Edition)

Whether its history, Pirkei Avos, a general look at the Jewish and general world - Rabbi Berel Weins voice, outlook, depth, and breadth are unique. And now he shares his Seder with us - and he shares them with us in his inimitable manner, as only he can. Its truly an enlightening experience. The Wein Seder is a delightful combination of classic commentary and stories, of background and history, of a bright light and piercing perspective, of provocative and enlightening ideas. This Haggadah is unique. It sparkles, stimulates - and it makes delightful reading not only on Pesach, but all year round.
