

# One L: The Turbulent True Story of a First Year at Harvard Law School

A wonderful book...it should be read by anyone who has ever contemplated going to law school. Or anyone who has ever worried about being human. -The New York Times It was a year of terrors and triumphs, of depressions and elations, of compulsive work, pitiless competition, and, finally, mass hysteria. It was Scott Turows first year at the oldest, biggest, most esteemed center of legal education in the United States. Turows experiences at Harvard Law School, where freshmen are dubbed One Ls, parallel those of first-year law students everywhere. His gripping account of this critical, formative year in the life of a lawyer is as suspenseful, said The New York Times, as the most absorbing of thrillers.
