Explosive advice from LAs mysterious online columnist, Dear Coquette. With her merciless and razor-sharp wit, bolted to one of the most finely-tuned moral compasses out there, the Coquette has been dispensing anonymous advice to her legion of fans on the internet for the last five years. Here, for the first time in print, is the best of the Coquettes advice: on relationships, breakups, breakdowns, sex, politics, and the correct etiquette for threesomes, with plenty more in between. Always honest, always outspoken, the Coquettes anonymity, cloaking a real life identity as an LA party girl with a high-powered job, allows her a brutal frankness that you will not experience from any other agony aunt. Admirers from all over the world have journeyed to her website to seek her practical and empowering advice: now, in the safety of your own home, you can too.
