

## Unveiling Love (A London Regency Suspense Tale) (Volume 3)

Barrington Norton has always made the right decisions but desperation, lies, and unexpected truths make things go terribly wrong. Can London's top mulatto barrister save Amora, himself, and their loved ones from ruin? Amora Norton has come to terms with her abduction and forgiven her Egyptian mother of betrayal, but hasn't the strength to do the same for Barrington or God. Can finding a lost friend and discovering an unexpected blessing be enough to make her whole? Yet, all their efforts to solve the crime of the century may be for naught. A divided couple is the perfect prey for a criminal who needs all the sins wiped away.
